

# Leonard Outfights Dundee in 8 Rounds

Jersey City, N. J., Feb. 9.—Benny Leonard, world's lightweight boxing champion, outfought Johnny Dundee of New York in every round of an eight round bout here tonight. Dundee put up a stiff battle but the champion outpunched him throughout. Leonard weighed 136 3-4 pounds and Dundee 131 1-2.

Leonard staggered his opponent a half dozen times during the contest. Dundee came back with renewed vigor each time and resumed his jumping tactics. As in all of his previous bouts with the champion, Dundee used his rushing "tiger cat" style and gave a spectacular exhibition but Leonard had no difficulty in picking out openings to place hard and effective blows.

In the opening round, Leonard scored a right to the head that sent Dundee flying to the ropes. He was back immediately. For the remainder of the bout Leonard centered his attack on the body, administering an especially severe drubbing in the fifth, sixth and seventh rounds. In the last session Dundee was fighting almost as hard as in the first. At the final bell his body showed the effects of the champion's blows while there were no marks on his head.

Spider Roache, the San Francisco lightweight, made a good impression in his first bout in the east, outpointing Willie Burke of Brooklyn throughout an eight round bout. Roache weighed 137 pounds and Burke 135.

This fund being for all time, I desire to grant to its administration sufficient discretionary leeway to best carry out my idea of appealing to the athletic instincts of young men."

## WOMEN NEED SWAMP-ROOT

Thousands of women have kidney and bladder trouble and never suspect it. Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease.

If the kidneys are not in a healthy condition, they may cause the other organs to become diseased. Pain in the back, headache, loss of ambition, nervousness, are often times symptoms of kidney trouble.

Don't delay starting treatment. Dr. Kilmer's Swamp-Root, a physician's prescription, obtained at any drug store, may be just the remedy needed to overcome such conditions. Get a medium or large size bottle immediately from any drug store.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention the Norwich Bulletin.

It may be that we can improve on what other people have done, and after a while it may be that we can strike out a line for ourselves. Most of us will find that if we do the best we can, even in the most plodding way, we shall find ourselves improving and rising, step by step, in our chosen task.—New York Evening Telegraph.
